

A brief HISTORY of Buena Park Rotary Club, California 90620 USA

Club number 822 in District 5320

Location:

Buena Park is located in the center of Southern California. When our Rotary Club was chartered in 1955, Buena Park was a farming community. Knott's Berry Farm is a well-known tourist destination in Buena Park. One of our first members was Walter Knott. Our Club meets at Mrs. Knott's Chicken Dinner Restaurant each week for Lunch.

The Beginning:

Buena Park's Charter meeting was on Oct 18, 1955. We were one of the first service clubs in town. Buena Park was sponsored by Norwalk Rotary, Norwalk was sponsored by Whittier Rotary in 1951, and Whittier was sponsored by LA 5 Rotary in 1922.

Our club sponsored:

Savanna High Interact, Anaheim, CA in 2004, **Buena Park High Interact**, Buena Park, CA in 2005, **North Orange County Community Rotaract**, Buena Park, CA in 2005, **Hope International University Rotaract** Fullerton, CA in 2006, and **Soka University Rotaract**, Aliso Viejo, CA in 2006.

Events:

One annual event pioneered by Buena Park Rotary was Old Time Days now called Silverado Days, an annual city-wide family event in the park. Our club was a big supporter of the Buena Park Boys and Girls Club in constructing their facility on Knott Ave. The Club works with other groups in Buena Park, like the Buena Park Woman's Club, on the annual needy Children's Christmas Shopping Spree. Each year the club is a major sponsor of the City-wide Memorial Day Program, in which Rotary, and other local clubs like the American Legion, Woman's Club, Lions, and Knights of Columbus rotate being the lead club.

Over the years, Buena Park Rotarians have teamed with Sister Clubs in foreign countries, like India, to provide fresh water for rural villages. In 2010, our club supported relief efforts for Haiti. Buena Park Rotary supports the local schools and the Library reading program. Our members plant trees each year in the community. Our club has a Design Excellence program where residents and businesses with new construction or remodels can be honored at our awards luncheon. In January 2008, our club hosted a dinner for RI President-Elect DK Lee and his wife Young at the Knott's Resort Hotel. In 2009, we hosted the District-wide Rotary Business Leadership Awards Luncheon at the Knott's Hotel. In 2010, our club facilitated the District 5320 Annual Conference being held at Knott's Berry Farm.

The club Honors both a Distinguished Rotarian and a non-Rotarian Buena Park Citizen-of-the-Year. For each of the local school districts, we honor both a Distinguished Teacher and a Classified Employee.

For local youth, we have a College Scholarship Award for our Outstanding Interactors. Each year, we send High School Students to (RYLA) Rotary Youth Leadership Awards camp, hold a High School Speech Contest, a Vocational Table-top workshop discussion at the High School, participate in joint Interact/Rotary meetings and Community Service Projects. Some of the service projects are Scouting for Food, Beach Cleanup, Police Open House, and sending care packages to Troops overseas.
